PET VET

FREE SUMMER CAMP JUST FOR GIRLS!

Channel your inner veterinarian at Girlstart's Animal Clinic! Investigate cat genetics, examine fish tank environments, build a prosthetic limb for an injured pet, and practice sutures on a stuffed animal. Use 3D modeling to design a unique animal shelter and code a robotic pet's journey to the vet's office! Explore the STEM concepts that vets use to keep your favorite animals healthy.

WHO: Current 3rd and 4th graders
(Rising 4th and 5th graders)

WHERE: Mary C. Burke Complex
