The High School/
Middle School
Extended School Year
program is designed
to meet the needs of
special education
students who have
Individualized
Education Plans
(IEPs). The goal of the
program is to prevent
regression of skills
learned during the
school year.

Our focus will be to
continue building basic
skills, self advocacy,
social skills, and hands
on learning. Students
will have the
opportunity to continue
learning in a structured
environment and to
have fun while doing it!
If your child receives
transportation to and
from school as outlined
in your child's IEP,
transportation will be
provided.
