

**Chelsea Public Schools is
partnering with Springboard
Collaborative!**

What do families say about Springboard Collaborative?

"We reconnected [by] read[ing] to each other again. We learned to have fun and act out the characters and we can relate them to family or friends. We had lost the love of reading. Thank you for getting us back on track"

- Family Member

"Springboard made me become a better reader. I used tricks my teacher taught me to figure out words I do not know."

- 4th Grade Student

What do the numbers say about Springboard Collaborative?

94% of families agree that they know strategies to help their child become a better reader after Springboard programming. Students make, on average, **3.4 months** of reading gains in **5 weeks**
