Dear CPS Families,

You may see news coverage today about a challenging matter regarding Chelsea School Committee Member Henry Wilson. There is not much we can say about this ongoing matter at this time, but I'd like to share with you the following statement that has been communicated publicly:

"The Suffolk County District Attorney notified City of Chelsea officials that Chelsea School Committee Member Henry Wilson would be arraigned today on charges related to an inappropriate relationship with a student in the Chelsea Public Schools. District officials are cooperating fully with the District Attorney, Chelsea Police Department, and other agencies involved in the investigation. An order has been issued prohibiting Mr. Wilson from any CPS campus and contact with any CPS student. The school district can provide no other details about the matter at this time, and all further questions should be directed to the District Attorney's Office."

Sincerely,

Dr. Almi G. Abeyta
Superintendent
Chelsea Public Schools
