6th Grade, Browne Middle School

Thank you for attending our WOW!

We are so pleased to say that the Winter 2014 WOW was the largest ever held at the Browne Middle School! Thank you so much to all of the families and community members who attended to support our talented and hard-working students. You helped to make the event a success!

Bulldog of the Month

The 6th grade team and Citizen Schools are very proud of many of our 6th graders for exceeding expectations this month. In particular, we would like to recognize **Jocelyn Ovalle** for demonstrating respect for herself, respect for others, and respect for her school!

Her math intervention teacher, Ms. Otieno, says, "Jocelyn is very enthusiastic about learning and helping others. She has also been in my top three math super stars for the past few weeks!" Way to go Jocelyn!

What's Going on at Citizen Schools?

Math Intervention

This month in Math Intervention, 6th grade students have been learning about Greatest Common Factor, Least Common Multiple and the coordinate plane. In early February 6th graders will complete a project and review for the ANET, which will take place on **February 11th**. We know all of our 6th graders have worked very hard and are going to do great!

Choice Clubs

Choice Clubs allow many 6th graders to try a variety of extracurricular and recreational activities. During January, students participating in Create your Own Holiday, Hip-Hop Club, Doodling, and Strong Girls. Some 6th grade students have been invited to participate in Real Talk: Diversity and Inclusion Club, in which they discuss opportunity, discrimination, and motivation in the face of obstacles.
