

Important Information about School Vacation Week

Student Drivers and Parents

Many of you are looking forward to school vacation week, and if you are getting your learner's permit, you're probably thinking about visiting the Registry of Motor Vehicles. School vacation week is the busiest week of the year at the Registry. Before you take a trip to the RMV, make sure you:

1. Visit [Mass.gov/ID](https://www.mass.gov/ID) to start the permit process.
2. Learn about requirements and the documents you need to bring.
3. Print out your completed application and bring the bar code scan with your required documents to the RMV.
4. **Take some time to enjoy your vacation, and wait a week before coming to the RMV.**

Please keep in mind that the Friday of vacation week is the busiest day of the week. We know you are anxious and excited to get out on the road but if you can wait until the following week to visit the Registry, you might save yourself a lot of waiting time.

Road trips should be fun; but avoid one to the RMV during vacation week.
